#### PRIOR CHANGES IN GRADING SYSTEM

##### Summer 1994:

##### ACADEMIC RENEWAL

On transcripts indicating “Academic Renewal”, grades of D and F earned prior to the student’s re-enrollment after a five year break (60 continuous months) are deleted from calculation of GPA. However, Academic Renewal does not affect graduation GPAs previously earned.

##### REPEATED COURSES

For students enrolled from Summer 1994 onward, only the last grade earned in a repeated course is computed in curriculum and cumulative GPAs. Policy applies to courses taken on the semester system.

**Summer 1991:** S grade restored to the grading system for developmental courses.

**Spring 1990:** Combined NVCC / VCCS credits no longer shown on transcript. Through Fall Semester 1989, transfer credits from other colleges in the Virginia Community College System were combined as NVCC / VCCS credits.

##### Summer 1988:

##### BEGINNING OF SEMESTER SYSTEM

Graduation honors changes to current system. Previously based on GPA only for courses within a student’s curriculum.

**Fall 1987:** S grade replaced by P.

**1972:** R grade extended to select credit courses.

**1971:** R grade added for developmental courses.

**Fall 1970:** S and U grades given for developmental courses.

**Spring 1967 – Summer 1970:** Developmental courses computed in GPA

**Spring 2020 - Due to COVID-19:** measures, students had a default grading scale of Pass or Withdraw during the Spring 2020 term. P+ is equivalent to earning a C or better. P- is equivalent to earning a D. Students had the option of requesting their earned letter grade, so there may be variation by course.

**GRADUATION HONORS:** Graduation honors are based on cumulative grade point average at completion of semester in which graduation is certified.
