Dear Richard Flores:

Congratulations, I commend you on your academic performance at Northern Virginia Community College. Based on this academic achievement, you have been designated a **Dean's List** honoree for the **2022 Fall** term. As you may know, the Dean's List is one of the college's most prestigious awards and is reserved for students who have a grade point average of 3.5 or higher in a given semester. Students who qualify must also have completed at least six (6) semester hours in the current semester (excluding developmental courses) with no grade lower than C.

Any student who has achieved such a distinguished record of academic excellence deserves to be celebrated and have their accomplishments formally recognized. Your name will be displayed as one who has achieved academic excellence on the Dean's List website

<https://www.nvcc.edu/apps/1/deanslist/> one week after the deadline for posting final grades.

Additionally, you qualify for the Honors Program! The NOVA Honors Program strives to provide qualified students with advanced teaching and mentoring to enhance their educational experience.

Please take a look at what we have to offer on our website at <https://www.nvcc.edu/honors/index.html>.

I applaud your commitment and dedication to your education. I understand and appreciate the personal and financial sacrifices that you have made to succeed academically. Students like you reflect the academic integrity and success we strive for at NOVA. Please contact us if there is anything we can do to support you as you strive for the highest quality educational experience and a set of outcomes that fully meets your goals.

Sincerely,
