Dear Richard Flores:

I am delighted to share that, based on your outstanding academic performance at Northern Virginia Community College, you have been named a **Presidential Scholar** honoree for the **2023 Fall** term. Congratulations on this accomplishment!

The Presidential Scholars' distinction is the college's most prestigious award, one reserved for students who have earned at least 20 credit hours at NOVA. These students are then honored in each semester in which they complete at least nine credit hours of college-level courses with a grade point average of 3.75 or higher. Your accomplishments qualify you as a Presidential Scholar!

You deserve to be celebrated for your distinguished record of academic excellence, and your name will be displayed on the Presidential Scholars website (<https://www.nvcc.edu/apps/1/deanslist/>) one week after the deadline for posting final grades. I encourage you to share this link with your family and friends so that they can join in the celebration of your success. Also, remember to note your status as a Presidential Scholar in your resume and transfer applications: it sets you apart, demonstrating your intelligence, commitment, and work ethic.

Because of your academic achievement, you may also qualify for NOVA's Honors Program! I hope you will consider joining this community of scholars. The Honors Program offers smaller classes, research opportunities, faculty mentors, and enrichment activities. You can learn more about NOVA's Honors Program on the website: <https://www.nvcc.edu/honors/index.html>.

Your dedication to achieving your goals is worthy of recognition, and all of us at NOVA join in celebrating your status as a Presidential Scholar. We are so proud of you!

Once again, congratulations!

Sincerely,

Anne M. Kress, PhD

President
